Note, if you ordered a uniform last year and it still fits, you can use that this year. If a part of the uniform is too small/lost you can reorder just that item (shirt, shorts,etc). If you didn't order a uniform or just want to order a new one please see link below. ALL GIRLS need to order or use last years uniform, none will be provided. These can be used next year also...so if in doubt ORDER LARGER SIZE!!!

Our season typically runs (weather permitting) from March 23rd through June 4th. Once registration ends, we will be communicating with all parents in February with details about tentative practice and game schedules. Typically, we will have 2 trainer practices per week throughout the season. Games will commence first week of April through the first weekend in June.
