

Coach Flynn is nearing his 700th career win!

We are asking everyone to show their support with the purchase and wearing of **The 700 Shirt** on the big day!

Shhhhhh...while everyone knows the game is coming up soon, The 700 Shirt design is going to remain a secret until they are handed out. Shirts and hats shown are blank in store but don't worry - there is a design and you will all love it!

Place your orders by clicking on the online store below.
Orders must be in by April 12

Team moms will have the shirts at the games so they can be picked up and put on whenever the 700th win occurs. Hats will be embroidered and may come in shortly after.

Let's Go Lakers!
