

# MLHS CLASS of 2022

## Senior Parents:

**Project Graduation is on !!! Please lend us your financial support to make it a success!!!**

Project Graduation is a nationwide program providing a safe, substance -free celebration for graduating high school students. At MLHS, students are transported to an undisclosed location for a fun-filled night of games and entertainment. Busses leave from school immediately following graduation.

### Why should you donate?

1. Project Graduation is the last time the entire MLHS Class of 2022 will be together.
2. Project Graduation is parent run and 100% funded by donations.  
*Cost of Project Graduation is not included as part of the annual assessment fee. Cost this year is approximately \$160 per person. We ask that each family please donate enough to cover the cost of their graduate if possible.*
3. Your generosity will directly benefit your child's graduation celebration as a safe, substance-free and FUN night!

### How can you donate?

1. Check to "MLHS Project Graduation" dropped in box at MLHS office or mailed to Wendy Kotsen at 151 Lookout Road, Mountain Lakes (donation coupon below)
2. Venmo @mlhs-projgrad and note your seniors name in the comments.
3. The suggested minimum donation is \$160 per senior graduate, but we of course greatly appreciate any contributions from individuals and businesses.

**Thank you for your support!**
