

This is **NOT** your **Mother's Bake Sale!**

Did you know that the Mountain Lakes Bake Sale is H&SA's largest fundraiser?

How do we do it?

It's easy! We offer more than just your traditional cookies, cupcakes, and rice crispy bars! This year we are offering more than 40 different soups, entrees, and desserts. The beginning of the school year is so hectic, let us bring you dinner! Do you like Pasta Fagioli? Chicken Pot Pie? Eggplant Parmesan? Pulled Pork and Rolls? We have something for everyone!

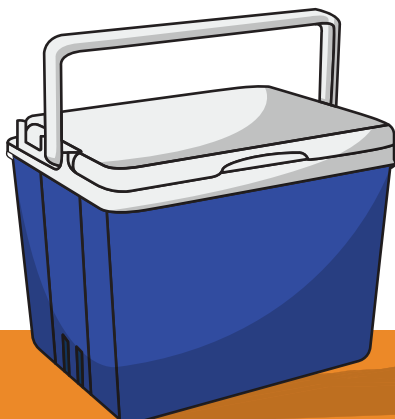

How do you order?

It's easy! Simply order online and leave a cooler outside. We deliver the food fresh to you, placed in the cooler. Our meals have staggered delivery dates so you can have something wonderful dropped off daily. In addition, many of our items like our soups and entrees freeze well.

How can you help?

Our Bake Sale Workshops are a great way to meet people just like you! The Bake Sale runs on volunteers like you and me. You can help by becoming a coordinator, workshop helper, delivery driver, and/or customer. As a workshop helper, you will help assemble meals under the guidance of a workshop hostess. No experience necessary! You can peel apples for the Apple Cobbler workshop or stir the sauce for our Chicken Marsala. Our drivers then deliver freshly made dinners to your doorstep daily. If you enjoy working with a computer we can use your skills as a workshop coordinator, sending out reminder messages to all of our helpers and customers.

If you are interested in joining our Bake Sale, please contact Denise Faehner, Amy Lill, Sara Aitken, or Seama Barsbay at mlhsabakesale@gmail.com.

*We look forward to seeing you
at one of our workshops!*
