

Celebrating 58 years of supporting student-athletes

## What We Are...

The Lakers Sports Club (“LSC”) is a parent-run booster club that was established in 1965 to promote and subsidize sports at Mountain Lakes High School. We are a volunteer, community-based organization, striving to work for the betterment of our Laker Student-Athletes.

## What Have We Been Up To...

<p><b>Sponsoring HUDL Accounts for all Mt. Lakes athletic programs</b></p>	<p>HUDL is an online website that stores practices and/or game recordings and allows all coaches and athletes to view them on a computer or phone.</p> <p>Video analysis is something that most, if not all programs, utilize to enhance team and individual success. Every program is afforded an opportunity to utilize this technology. Along with team accounts, the HUDL package included 2 brand-new, state-of-the-art, cameras. One has already been installed in the main gym and the other one will be installed at Wilkins Turf Field in March. This allows each contest at these facilities to live stream, record, and download every Varsity game. The package will include all 2023 Winter, Spring, and Fall sports seasons. Student-athletes will also be able to use this film for recruiting purposes.</p>
<p><b>Sponsoring YouTube Broadcasts for Key Events for all sports</b></p>	<p>Morris Sussex Broadcasts (on YouTube) are more than just filming a game. A broadcast includes live play-by-play commentary, instant replay, and post-game interviews with athletes and is recorded on YouTube for replays after the game.</p> <p>Broadcast key games/matches (e.g. Senior Night, Coaching Milestone, etc.) for all broadcastable MLHS sports (e.g. volleyball, field hockey, soccer, cross country).</p>
<p><b>Donated over \$1.5m to various MLHS sports teams over the past 15 years</b></p>	<p>Contribution to New <b>Baseball</b> Field Bleachers, Contribution to New Scoreboards for <b>Boys/Girls Basketball</b> and <b>Boys/Girls Soccer</b>, Protective Netting for New Turf around the ends of the field, Wilkins Turf Field and Lights, <b>Track &amp; Field</b> Training Aids, Equipment Storage Container <b>Girls Lacrosse</b>, Ball Machine for <b>Tennis</b> Teams and Radio Equipment for <b>Ski Team</b> to name a few.</p>
<p><b>Lakers Sports Club also...</b></p>	<p>Sponsors Most Improved Athlete award for each varsity team</p> <p>Sponsors Scholarships for Boys and Girls Athletes and Boys and Girls Scholar Athlete</p>

## How To Join LSC...

Each school year we run a membership drive. These membership dues help us fulfill our mission of supporting Laker Sports Excellence. If you haven't already joined for the 2022-2023 school year, please consider joining with your donation today.

\*\*\*\*\* Please detach and remit to: \*\*\*\*\*
