**COMMUNITY MEETING:
GROWING HEALTH, FOOD AND HOPE:
FOOD GARDENING, POLLINATORS,
NATIVE PLANTS AND HABITATS
FEBRUARY 11 AT 10:30AM**

GUEST SPEAKER

Mr. Jose German Gomez, founder of the Northeast Earth Coalition (NEEC), will speak at The Community Church of Mountain Lakes (CCML). Mr. German Gomez will share his knowledge about vegetable gardens, pollinator gardens, and native plants and the ways in which they are vital to our food system and a healthy environment. We will also learn about the many gardens created by NEEC volunteers and the sharing of the gardens' produce with those in need.

CCML is located at 48 Briarcliff Road in Mountain Lakes, NJ. Parking is available at the corner of Briarcliff Road and Barton Road.

For more information, please contact Betsy Broome, Parish Associate for Community Engagement at CCML. She may be reached by calling the church office (973-334-6500) or via email (parishassociateatccml@gmail.com).
