

MLHS Class of 2023

Senior Parents: Project Graduation 2023 is on!

Please lend us your financial support to make it a success!

What is Project Graduation?

Project Graduation is a nationwide program providing a safe, substance-free celebration for graduating high school students. At MLHS, students are transported to an undisclosed location for a fun-filled night of games and entertainment. Buses leave from MLHS immediately following graduation.

Why should you donate?

1. Project Graduation is the last time the entire Class of 2023 will be together.
2. Project Graduation is parent-run and 100% funded by donations. Project Graduation is not included in the annual MLHS activities fee. ***The cost this year is more than \$250 per graduate.*** Volunteer committee members raise money to help cover the cost, but your generous donations are needed and appreciated.
3. All proceeds directly benefit your child's graduation celebration as a safe, substance-free and FUN night.

How can you donate?

1. Check to "MLHS Project Graduation" dropped in the box at MLHS office *or* mail to Amy Schadt, 63 Ball Road, Mountain Lakes, NJ 07046.
2. Venmo @mlhs-projgrad and note your senior's name in the comments.
3. The suggested minimum donation is **\$250.00** to cover the cost of one graduate but any donation is welcome.
4. If you own a business or know of a business willing to donate to Project Graduation, please email mlhsprojectgrad@gmail.com.

Thank you for your support!
