

The Garden Club of
Mountain Lakes presents

"YES, THEY REALLY ARE DRIED FLOWERS"

Wednesday, September 27th

10:00 to 11:30 a.m.

The Mountain Lakes Club

Award-winning dried flower designer Cathy Miller will discuss the craft behind working with dried flowers as an expressive, inexpensive way to create warmth and beauty year-round. Cathy's dried flower creations have graced the White House through the decades. NJ Monthly magazine has called her "NJ's answer to Martha Stewart, at least when it comes to arranging dried flowers."

Drawing from her years of expertise in the art and craft of drying flowers, Cathy will share tips for creating fabulous arrangements that last for years and look as if they were just plucked from the soil. During her presentation, Cathy will create several arrangements which will be awarded as door prizes to attendees.

Cathy Miller has published extensively in popular magazines, appeared on television lifestyle programs, and lectures frequently on dried floral design. She is a former concert pianist and a past-president of the Wyckoff Area Garden Club. Signed copies of her book, *Harvesting Preserving & Arranging Dried Flowers*, will be available for purchase (\$25, cash or check only).

Program is open to the public and guests for \$20 and free to Garden Club of Mountain Lakes members.

Garden Club members and guests are invited to stay for lunch following the program for \$30. Reservation is required.

RSVP before September 22nd via QR Code or at mlgclub.net
