League Update - NOVEMBER, 2023

WELCOME MESSAGE

We hope everyone is doing well and enjoying the fall – it's crazy to think that winter is just around the corner! We are already in the process of planning for the **2024 Tri-Town spring softball and baseball seasons** so we wanted to reach out with a few updates.

We would like to first and foremost thank our former Tri-Town Little League President, **Doug Duerr**, for his four years of service as President and for all of his dedication to the league. Doug is still an integral part of the Board and will continue to help us transition into a new president. We would also like to introduce our new President, **Lucy Barillas-Fishlock**, for the upcoming 2024 season -- **Welcome Lucy!**

Please read on for additional important updates and announcements!

TRI-TOWN BOARD MEMBERSHIP

As we all know, our softball and baseball programs cannot run without volunteers. With that being said, **we are in need of volunteers to join our Tri-Town Board.** This is a chance to help have a voice in planning various events within the pre-season, regular season, and beyond. If you have any questions about how being a member of the Tri-Town Board works or if you are interested in being part of the Tri-Town Board, please reach out to us and let us know ASAP! Most volunteer positions only require a couple of hours each week, and some are just running a one night event.

REGISTRATION

REGISTRATION FOR THE 2024 SEASON OPENS ON DECEMBER 1ST! If you plan on having your child attend any of the winter clinics, it is required that registration for the 2024 season is completed prior to the clinics starting. We will also have in-person registration on the first day of winter clinics for those that prefer in-person registration.

SCAN TO REGISTER

WINTER CLINICS

We are in need of volunteers to help run our indoor winter baseball and softball clinics. We have two programs we usually run in the winter -- the first is our FREE indoor clinics at RVS for our younger players and the second is our training sessions for our older players (location TBD). **Both programs are in jeopardy of being cancelled this year unless we find volunteers to run them.** If you are interested in helping in any capacity, let us know!

**VOLUNTEERS
WE NEED YOU!**
