

SOLAR

ECLIPSE

2024

A program for all ages!

**SUNDAY, MARCH 24 AT 1:00 PM
IN THE COMMUNITY ROOM**

On April 8th, there will be a total eclipse of the Sun visible in the United States on a line from Maine to Texas. This is a truly rare and spectacular astronomical event and should not be missed! Learn about the history of eclipses, how and why they happen, where the best viewing locations are, and how to prepare for observing this amazing celestial display of nature!

Fascinated by astronomy and space missions all his life, Paul Cirillo is a member of the New Jersey Astronomical Association, which operates the largest public observatory in New Jersey. In 1998, he organized Somerset County's 4-H Space & Astronomy Club and was its leader for ten years. He has a Bachelor of Science degree from Rutgers University and is a volunteer outreach "Ambassador" for NASA's Jet Propulsion Laboratory.
