SUPPORTING THE ARTS IN OUR SCHOOLS

- FOTA boosts awareness of the value of student participation in the arts at all grade levels throughout the school district—serving MLHS and Wildwood, Lake Drive, Rockaway Valley, and Briarcliff Schools.
- FOTA offers arts educators grants for equipment and specialized instruction; supports student arts performances, exhibitions, and special events; and awards scholarships to MLHS graduating seniors for achievement in the arts.
- FOTA relies primarily on membership dues to fund our work. All arts-engaged students in the district—whether in band, orchestra, jazz, bells, choral, theatre, or fine arts—benefit directly through increased access to art materials and tools, musical instruments, specialized instruction, and outside performance opportunities. If you have an arts student, please support them by joining FOTA!
