

Welcome to Mountain Lakes School District

Kindergarten registration for the 2025-2026 academic school year is now open. Open Registration will close on February 28, 2025.

- Students must be at least 5 years old on or before October 1, 2025, to be eligible for enrollment.
- Students will not be allowed to begin school until all necessary health documents have been submitted. Physical examinations must be completed within 365 days before your child's first day of school. For instance, if the first day of school is August 27, 2025, physical examinations dated **on or after August 28, 2024**, will be accepted for registration.
- If you have a student enrolled in the 2024-2025 Pre-K program at Ivy Hall School, please refrain from initiating a new online registration. We kindly ask you to contact the IVY HALL main office for guidance on how to upload the required registration documents to facilitate your child's enrollment in kindergarten.

Before starting the online student registration process, please ensure that you have thoroughly reviewed the **Residency and Registration Document Checklist**

For questions related to student registration or admissions, please reach out to us at registration@mlschools.org.
