

WELCOME TO MLHS: TRANSITIONING STUDENTS WITH SPECIAL SERVICES

Join the Director of Special Services for an informative presentation designed to guide students receiving special services and their families through the transition to Mountain Lakes High School.

This session will include:

- An overview of the Special Services Department and our basic tenets
- The scheduling process and varying levels of support
- A review of common scheduling questions followed by a Q&A session

This is a great first step in ensuring a smooth and confident start to this exciting new chapter!
