

Calling All **Freshman, Sophomore & Junior** Parents!

The MLHS Project Graduation Committee
needs your help!

Project Graduation is a nationwide program providing a safe, substance-free celebration for graduating high school students and has been a proud MLHS tradition for years. Our committee is volunteer-run and 100% funded by donations.

We're planning a wonderful night for our new MLHS graduates and we are in need of overnight chaperones.

Grab a friend and volunteer together for a fun night!

Please join us for this MLHS tradition where parent chaperones "pay it forward." Other parent volunteers will then chaperone when it's your child's turn to graduate.

Tuesday 6/17, 9pm to approx. 4am

(following MLHS graduation).

Please contact us at mlhsprojgrad@gmail.com
or feel free to reach out to any of us.
