

Lakeland Hills Family YMCA and Morris County Vocational School

GIRLS IN STEM

GRADES 6 & 7

Friday, May 30 from 6:00 - 8:00 pm

Students from the Academy for Computer & Information Science and Healthcare & Biotechnology will dive into hands-on adventures, tailored for girls to explore and learn.

Get ready for a blast with activities like:

- Rocket Building Launch
- Biotech, Healthcare, and Computer Science Stations
- Catapult Challenge
- Binary Bracelets
- Paper Airplane Physics
