

The Anxious Generation

Book discussion series led by
Mr. Erik Carlson, Briarcliff Principal

Please join **Mr. Carlson** and a group panel for two special book club discussions of Jonathan Haidt's ***The Anxious Generation***:

9/24 & 10/15 @ Briarcliff Middle School from 3:15-5:15 pm

The Anxious Generation discusses the great “rewiring” of childhood, providing an in-depth look at how children are experiencing a phone-based childhood—and how this has interfered with their social and neurological development. Please consider this your summer read.
