

Bake Sale Needs YOU!

Join the fun and support the schools! Be part of H&SA's largest fundraiser!

We make delicious homemade meals, and it's delivered straight to your house! Yum! But we can't do it without our parent volunteers. Most workshops run while our children are in school, so please join us in one of the following ways. [Click HERE to sign up and volunteer.](#)

Workshop Coordinators

are responsible for administratively overseeing a workshop. This includes checking in with the host to ensure they have everything, sending out reminder emails, and overseeing deliveries. Basic excel skills are helpful.

Workshop Helpers

are our essential sous chefs. They assist in prepping, cooking, and packaging a meal!

Delivery Drivers

After each workshop, we need volunteers to deliver our hot meals! You will receive around 10 addresses to deliver to and takes less than an hour.

October is the month to enjoy delicious meals made by your neighbors and local restaurants. We have appetizers, soups, entrees, desserts and even meals for your dogs this year!

Scan the QR code to order now through 9/30!
