# “ALWAYS CONNECTED”

a Cyber Safety Presentation by  
Summit Police Lieutenant Tom Rich

Tuesday, January 13th  
7pm  
MLHS Auditorium

As we raise our children in a digital-first age, the nuances, dangers, and challenges of online life are ever-changing and increasingly critical.

Lieutenant Rich is a nationally- recognized cyber safety expert and the founder of [AlwaysConnected.org](http://AlwaysConnected.org). His expertise centers around cyberbullying, social media misuse, safe online habits, digital footprints, and real-life consequences.

This presentation is **FREE**, although donations for the ML Home & School Association are welcome at the door.

Please join us for what we know will be a deeply meaningful and illuminating deep dive into cyber safety specific to adolescents and teens. **Parents of all age groups welcome.**
